The TeachSmart Online Competition is the first stage of the Global Kidpreneurs Competition, conducted remotely **or at home** through certified test centers . It features a 60-question quiz, based on TeachSmart's resources, including multiple-choice, true/false, and matching questions. This competition is also endorsed by Binary University of Management & Entrepreneurship, Malaysia. The competition equips participants with practical skills for real-world scenarios, **enriching** their CVs.
